IIT Gandhinagar (IITGN) invites applications for faculty positions in areas of Aerospace and Aeronautical Engineering, Control Systems and Robotics, Fluid and Thermal Sciences, Human Biomechanics, Industrial Engineering and Operations Management, Manufacturing Sciences and Theoretical, Applied and Experimental Mechanics. Scholars whose work is interdisciplinary are especially encouraged to apply.

IITGN is looking for applicants with a passion for teaching and have demonstrated excellence in research. Successful candidates will be expected to teach undergraduate and postgraduate courses, conduct independent research in their fields of expertise and contribute to Institute service.

IIT Gandhinagar has embarked on an ambitious journey to become the best educational institute in India and among the best in the world. The institute promotes critical thinking and encourages innovations. We have experimented with numerous ideas in curriculum, student affairs, faculty recruitment, and faculty management. Interdisciplinarity and diversity are our USP. Our faculty members have graduated from world’s leading institutes and 80% have overseas degree or post doctoral experience. We are currently home to 6 Ramanujan Fellows, 9 INSPIRE Fellows, and 2 Ramalingaswami Fellows.

**BENEFITS**

**UNPARALLELED RESEARCH SUPPORT**
- Attractive start-up grants (with no upper limit restrictions)
- Separate budget for procuring high-end research infrastructure
- Faculty excellence awards for exceptional research, teaching, outreach, and institute service
- Schemes to attract top-quality PhD students (higher scholarship and early offers)
- Generous travel support for faculty and students
- Institute funded postdoctoral fellows for research productive faculty
- Liberal international conference support for PhD students
- Fully-funded opportunities for PhD students to spend a semester in an overseas university for research

**DIVERSITY AND INTERDISCIPLINARITY**
- World class faculty from renowned institutes such as MIT, CMU, Cornell, UIUC, etc
- Faculty from 18 states in India
- 20% women faculty members
- Opportunity for multi-disciplinary appointments. Faculty can teach and guide students from any discipline

**INNOVATIVE & AWARD WINNING CURRICULUM**
- Project-based learning, creativity and entrepreneurship is encouraged
- Emphasis on courses in design, humanities, and life sciences promote out-of-the-box, creative and nonlinear thinking
- 40% of UG and 77% of PhD students receive international exposure

**CAMPUS AND LOCATION**
- Modern, world-class, riverfront campus
- Spacious on-campus housing for faculty
- On-site daycare center for kids
- Green campus with clean air
- Excellent connectivity via air, road and rail. The Institute is about 22 kms (approximately 30 minutes drive) from Ahmedabad international airport
- Located near Ahmedabad, one of India’s safest cities and the only UNESCO designated world heritage city in India
- Located in close proximity of one of India’s leading industrial hubs and prestigious educational /research institutes like Physical Research Laboratory, IIM Ahmedabad, National Institute of Design, ISRO Space Applications Centre, Institute for Plasma Research, etc.

**DEADLINE**
Rolling advertisement for faculty recruitment. Applications are accepted throughout the year.
